How You Can Help

Time and talent, but especially your financial support today.

As a registered 501(c)3 and an official fundraising organization registered with the Arizona Secretary of State, your support makes it possible for us to fulfill our committed to special needs families in Arizona—to give inspiration and time to find community and recreation with the great American Pastime of Baseball.

Our fundraising program today needs your support for fencing, bleachers, lights, a scoreboard and the rubberized playing surface that makes up a Miracle League field.
